

Don't let the NAB lobbyists limit my consumer choice and the freedoms protected by the First Amendment. Please keep my freedom to listen to XM Satellite Radio's traffic and weather channels. XM satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Respectfully I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.
